**19/25 TO APPROVE THE MINUTES OF THE MEETING OF THE 13<sup>th</sup> OCTOBER 2025**

**IT WAS RESOLVED:** to accept the minutes of the meeting of the 13<sup>th</sup> of October 2025, as a true and accurate record of the meeting. However, the Chair highlighted that a request for greater detail on the Action Log did not include all the elements of the request.

**20/25 TO RECEIVE AN UPDATE ON THE STRUCTURAL RENOVATIONS TO THE PIER.**

It was reported that the structural renovations of the Pier, excluding the sand blasting and painting were taking longer than originally anticipated. It was now estimated that this work would not be completed until the end of March or early April 2026. Simultaneous to this structural work, YGC would be completing their assessment of the full length of the Pier with a view to reporting to Council in the Spring. Arrangements to sandblast and paint the metal I of the two phases of structural work currently being undertaken will ideally need to be completed within the next two or three years.

**IT WAS RESOLVED:** To accept the report.

**21/25 TO DISCUSS THE ASSETS ACTION LOG**

*An updated Action Log had been pre-circulated to Members*

The Committee discussed a number of items on the Action Log and were apprised of some items that had been added by the City Director since the last meeting. The Committee asked that update on all the Playing Fields in the City be added to the Log.

**IT WAS RESOLVED:** To accept the Action Log.

**The meeting ended at 6.55 pm**
